

PRAGYAN PUBLIC SCHOOL SUMMER VACATION HOMEWORK GUIDELINES

Session 2026-27

GENERAL INSTRUCTIONS FOR STUDENTS

- Complete all work neatly and sincerely.
- Write all subjects in separate notebooks.
- The notebook should be properly covered and labelled with:
 - Student's Name
 - Class & Section
 - Roll Number
 - Session
 - "SUMMER VACATION HOMEWORK"
 (on the front cover)
- Use separators or coloured pages for each subject.
- Index should be prepared at the beginning of the notebook.
- Date must be written for every activity.
- Handwriting should be neat and readable.
- Use only blue pen and pencil for written work.
- Diagrams and drawings should be properly coloured and labelled.
- Avoid overwriting and untidy presentations.

HOMEWORK COMPLETION GUIDELINES

- Complete homework regularly instead of doing it at the last moment.
- Work independently.
- Seek parental guidance but do not complete the work on their behalf.
- Every task should reflect creativity, understanding, and effort.
- Read instructions carefully before starting the work.
- Complete all activities within the given timeline.

PRESENTATION GUIDELINES

- Use headings and subheadings properly.
- Maintain proper margins.
- Use coloured pencils for charts and creative work.
- Keep work clean and organized.
- Attach worksheets or printed material, if used.
- Avoid loose sheets unless instructed.

SUBJECT-WISE ARRANGEMENT IN NOTEBOOK

Arrange subjects in the following order:

- | | |
|----------------|------------------------------|
| 1. English | 5. Social Science |
| 2. Hindi | 6. Computer / ICT |
| 3. Mathematics | 7. Sanskrit / Third Language |
| 4. Science | |

EVIDENCE SUBMISSION GUIDELINES

Attach evidence of activities wherever applicable.

Examples of evidence may include:

- Drawings
- Photographs
- Observation tables
- Labels
- Charts
- Small reflections
- Parent signature for activity completion
- Leaf pasting
- Creative model photographs
- Survey records
- Nature observation notes

READING HABIT GUIDELINES

- Read for at least 20 minutes daily.
- You may read:
 - Story books
 - Newspapers
 - Magazines
 - Informational books
 - Poems

- Maintain a small reading log mentioning:
 - Book name
 - Date
 - New words learned

- Observe nature
- Learn new skills
- Practice art and craft
- Improve communication skills
- Participate in family discussions
- Develop problem-solving habits
- Practice kindness and responsibility

PARENTS' GUIDELINES

- Encourage children to work independently.
- Monitor regular completion of homework.
- Appreciate effort and creativity.
- Ensure a balanced routine of study, play, and rest.
- Support reading habits at home.
- Avoid excessive pressure on children.

SCREEN TIME GUIDELINES

- Limit mobile phone usage.
- Use digital devices only for educational purposes.
- Educational videos and learning apps may be used with parental guidance.
- Avoid excessive gaming and social media use.

SUBMISSION INSTRUCTIONS

- Submit the notebook on the first three working days after vacation.
- Incomplete homework may affect subject enrichment records.
- Revise and complete all work before school reopens.
- The notebook will be assessed on:
 - Neatness
 - Creativity
 - Completion
 - Presentation
 - Concept understanding
 - Originality of work

MAINTAIN A HEALTHY DAILY ROUTINE

- Sleep on time and wake up early.
- Eat healthy food and drink enough water.
- Practice cleanliness and hygiene.
- Help parents in small household activities.
- Spend time in outdoor games and physical activities.

- Participate in community or social activities.
- Draw, paint and craft.
- Learn a new skill, explore a hobby or skill.
- Explore and express your creativity.
- Learn a hobby or skill for personal growth.

IMPORTANT REMEMBER

*Use your time wisely,
learn joyfully,
and grow every day!*

CLASS 3 – ENGLISH

Day	Task	Working	Evidence	Reflection	Process
1	My Name	Write 5 lines about yourself	Simple sentences	What do you like about yourself?	Sit with your parents and think about yourself carefully. Write simple sentences about your name, age, favourite colour, favourite food, hobbies, and things you enjoy doing every day.
2	My Family	Write names of family members	Family drawing	Who helps you most ?	Observe your family members and talk to them. Learn their names and relationships, then write about how they help and care for you at home.
3	Alphabet Fun	Write one word from each alphabet	Alphabet chart	Which letter was difficult ?	Revise all the alphabets from A to Z carefully. Think of one meaningful word for each alphabet and practice neat handwriting while making an alphabet chart.
4	Rhyming Words	Write 5 rhyming word pairs	Word list	Which pair sounds funny ?	Read rhyming words aloud slowly and notice how the ending sounds are similar. Practice speaking and writing rhyming word pairs in a fun way.
5	My Favourite Toy	Draw and describe your toy	Picture with 4 lines	Why do you like it?	Choose your favourite toy and observe its shape, colour, size, and features carefully. Draw the toy neatly and write simple sentences explaining why it is special to you.
6	Opposite Words	Write 10 opposite words	Word table	Which words were easy?	Learn opposite words by comparing two completely different meanings such as big-small, hot-cold, and happy-sad. Practice using them in daily life.
7	Action Words	Write action words you do daily	Action word list	Which action do you enjoy?	Observe your daily routine from morning to night and identify action words like run, eat, play, read, and sleep. Write them neatly in a list.
8	Picture Description	Look at a picture and write 5 lines	Picture writing	What did you see first ?	Look at a colourful picture carefully and observe people, animals, objects, and activities shown in it. Write simple sentences describing everything you notice.
9	My School Bag	Write names of items in your bag	Item list with drawing	Which item is most useful?	Open your school bag and identify all the items inside it such as books, notebooks, pencil box, eraser, and lunch box. Write their names neatly with drawings.
10	Greeting Card	Make a thank-you card	Card making	Whom will you give it to?	Think about someone you want to thank, such as your parents, teacher, or friend. Create a beautiful thank-you card using colours, borders, and kind words.

11	Nature Walk	Observe nature and write 5 things	Observation list	What looked beautiful ?	Go for a short walk in nature with your parents and observe trees, flowers, birds, clouds, and insects around you. Write about the beautiful things you noticed.
12	My Pet or Animal	Draw and describe an animal	Drawing with sentences	Why do you like it ?	Draw your favourite animal carefully and observe its colour, food habits, sound, and movement. Write a few simple lines about why you like that animal.
13	Simple Poem	Write 4 lines on rain	Short poem	What do you enjoy in rain ?	Think about rainy weather and remember activities you enjoy during rain. Use simple and creative words to write a short poem on rain.
14	Cleanliness Poster	Make poster on cleanliness	Poster with slogan	Why should we stay clean ?	Understand the importance of personal hygiene and clean surroundings. Create a colourful cleanliness poster with drawings and short slogans.
15	Story Time	Write 5 lines from your favourite story	Story writing	What lesson did you learn ?	Recall your favourite storybook or bedtime story. Think about the main characters, important events, and moral lessons before writing about it in simple sentences.

Literature - Chapter 3 The dog's tail and chapter 4 Cats and dogs

Learn word meaning , questions answer

Language - chapter 3 Countable Noun and Uncountable Nouns and Chapter 4 Gender

Revise book exercise of the chapter.

And practice sheet 1 from lang. book page no. 97

CLASS 3 – HINDI

Day	Task	Working	Evidence	Reflection	Process
1	मेरा परिचय	अपने बारे में 5 वाक्य लिखिए	सरल वाक्य	आपको क्या पसंद है ?	अपने बारे में सोचिए और अपना नाम, आयु, पसंदीदा खेल, भोजन तथा शौक के बारे में सरल वाक्य लिखिए।
2	मेरा परिवार	परिवार के सदस्यों के नाम लिखिए	परिवार चित्र	सबसे प्रिय कौन है?	परिवार के सभी सदस्यों के नाम लिखिए और समझिए कि वे घर में आपकी कैसे सहायता करते हैं।
3	वर्णमाला अभ्यास	क से ज्ञ तक लिखिए	वर्णमाला लेखन	कौन-सा अक्षर कठिन लगा?	क से ज्ञ तक वर्णमाला का अभ्यास कीजिए तथा साफ और सुंदर लेखन करने का प्रयास कीजिए।
4	तुक वाले शब्द	5 तुक वाले शब्द लिखिए	शब्द सूची	कौन-सा शब्द अच्छा लगा?	तुक वाले शब्दों को बोलकर उनके समान उच्चारण को पहचानिए और उन्हें लिखने का अभ्यास कीजिए।

5	मेरा खिलौना	अपने खिलौने का वर्णन	चित्र एवं वाक्य	खिलौना क्यों पसंद है?	अपने प्रिय खिलौने को ध्यान से देखकर उसका चित्र बनाइए और उसके रंग, आकार तथा उपयोग के बारे में लिखिए।
6	विलोम शब्द	5 विलोम शब्द लिखिए	शब्द तालिका	कौन-से शब्द आसान लगे?	विलोम शब्दों के अर्थ समझिए और विपरीत अर्थ वाले शब्दों को पहचानकर लिखिए।
7	क्रिया शब्द	रोज़ के कामों के शब्द लिखिए	क्रिया सूची	कौन-सा काम अच्छा लगता है ?	अपने रोज़ के कार्यों को ध्यान से देखकर उनसे जुड़े क्रिया शब्द जैसे खाना, खेलना, पढ़ना आदि लिखिए।
8	चित्र वर्णन	चित्र देखकर 5 वाक्य लिखिए	चित्र एवं लेखन	चित्र में क्या देखा	किसी चित्र को ध्यानपूर्वक देखकर उसमें दिखाई देने वाली वस्तुओं और गतिविधियों का वर्णन कीजिए।
9	मेरा बस्ता	बस्ते की वस्तुओं के नाम लिखिए	सूची एवं चित्र	सबसे उपयोगी वस्तु कौन-सी है ?	अपने बस्ते की सभी वस्तुओं को पहचानिए और उनके नाम लिखकर चित्र बनाइए।
10	शुभकामना कार्ड	धन्यवाद कार्ड बनाइए	कार्ड निर्माण	यह कार्ड किसे देंगे ?	किसी प्रिय व्यक्ति के लिए धन्यवाद कार्ड बनाइए और उसमें सुंदर रंगों तथा शब्दों का प्रयोग कीजिए।
11	प्रकृति भ्रमण	प्रकृति में देखी चीजें लिखिए	अवलोकन सूची	सबसे सुंदर क्या लगा ?	प्रकृति में दिखाई देने वाले पेड़, फूल, पक्षी और बादलों का अवलोकन कीजिए और उनके बारे में लिखिए।
12	मेरा प्रिय पशु	पशु का चित्र बनाकर लिखिए	चित्र एवं वाक्य	पशु क्यों पसंद है ?	अपने प्रिय पशु का चित्र बनाइए और उसके भोजन, रंग तथा आदतों के बारे में सरल वाक्य लिखिए।
13	छोटी कविता	बारिश पर 4 पंक्तियाँ लिखिए	कविता लेखन	बारिश में क्या अच्छा लगता है ?	वर्षा ऋतु के बारे में सोचकर छोटी और सुंदर कविता लिखिए।
14	स्वच्छता पोस्टर	स्वच्छता पर पोस्टर बनाइए	पोस्टर एवं नारा	स्वच्छता क्यों जरूरी है ?	स्वच्छता का महत्व समझिए और साफ-सफाई से संबंधित पोस्टर तथा नारा बनाइए।
15	कहानी समय	अपनी पसंदीदा कहानी लिखिए	कहानी लेखन	कहानी से क्या सीख मिली ?	अपनी पसंदीदा कहानी को याद कीजिए और उससे मिली शिक्षा को सरल शब्दों में लिखिए।

Hindi Lit:- पाठ-4 'सानिया का बस्ता' पढ़कर कठिन शब्दों को रेखांकित कर याद करिए।

गतिविधि:- (मिठास पाठ्यपुस्तक) पेज नं- 30 से नानी की चिट्ठी लिखकर लिफाफा बनाकर उसमें रखिए।

Hindi Lang:- पेज नं 32 का अनुच्छेद पढ़िए और संज्ञा शब्द छांटकर लिखिए गतिविधि पूरी करिए।

सुलेख:-हिंदी की सुलेख पुस्तिका भरिए।

CLASS 3 – MATHEMATICS

Day	Task	Working	Evidence	Reflection	Process
1	Counting Activity	Count pencils, books and toys	Counting table	Which item was more ?	Count different objects available at home such as pencils, toys, books, spoons, or fruits and record the numbers carefully in a table.
2	Shape Hunt	Find circle, square and triangle	Shape drawings	Which shape did you see most ?	Observe objects around you and identify shapes such as circle, square, rectangle, and triangle. Draw these shapes neatly with colours.
3	Number Names	Write number names 1–20	Number writing	Which spelling was difficult ?	Practice writing number names from 1 to 20 carefully and read them aloud to improve understanding.
4	Addition Practice	Solve 5 addition sums	Calculations	Which sum was easy ?	Solve simple addition sums using fingers, beads, or household objects to understand the concept of combining numbers.
5	Subtraction Practice	Solve 5 subtraction sums	Calculations	Which question was difficult ?	Practice subtraction by removing objects from a group and counting how many are left afterwards.
6	Table Writing	Write tables from 2 to 12	Table practice	Which table do you know best ?	Write multiplication tables from 2 to 12 daily and practice speaking them aloud confidently.
7	Clock Activity	Draw clock showing different times	Clock drawing	Why is time important	Draw clocks showing different times such as 3 o'clock, 6 o'clock, and 9 o'clock and learn how to read time correctly.
8	Big and Small Numbers	Identify biggest and smallest numbers	Number worksheet	Which number was biggest ?	Compare different numbers and identify the biggest and smallest numbers among them.
9	Money Activity	Identify notes and coins	Drawing with values	Why should we save money ?	Observe coins and currency notes used at home and learn their values and uses in daily shopping.
10	Pattern Making	Make simple patterns	Pattern worksheet	Which pattern looked nice ?	Create colourful number or shape patterns using crayons, colours, or sketch pens and continue the patterns correctly.
11	Measurement Fun	Measure pencil and notebook	Measurement table	Which object was longer ?	Use a ruler to measure small objects such as pencils, notebooks, and erasers and compare their lengths.
12	Fraction Activity	Show half using fruits or chapati	Drawings	Where do we use half	Understand the idea of half by dividing fruits, chapatis, chocolates, or drawings into two equal parts.

13	Calendar Activity	Mark Sundays on calendar of your birthday month	Calendar work	Which month do you like ?	Observe a calendar carefully and identify Sundays, holidays, birthdays, and important dates.
14	Data Collection	Ask friends or family members favourite fruit	Tally marks	Which fruit was liked most ?	Ask family members about their favourite fruits and record the information using tally marks.
15	Shopping Bill	Prepare simple shopping bill	Bill calculation	Why is counting important ?	Prepare a simple shopping bill by writing item names, prices, and total cost using addition.

CLASS 3 – EVS

Day	Task	Working	Evidence	Reflection	Process
1	Plant Observation	Water a plant and observe	Plant drawing	What change did you see ?	Water a small plant every day and carefully observe changes in its leaves, height, and growth over several days.
2	Healthy Food	Paste healthy food pictures	Food chart	Why should we eat healthy food ?	Collect or draw pictures of healthy food items such as fruits, vegetables, milk, and pulses and prepare a healthy food chart.
3	Sense Organs	Draw five sense organs	Labeled diagram	Which organ helps you most ?	Draw the five sense organs neatly and learn how each organ helps us in daily life activities.
4	Bird Homes	Match birds with homes	Matching activity	Which home looked interesting ?	Identify different birds and match them with their homes such as bird-nest.
5	Sources of Water	Write names of water sources	Water chart	Why should we save water ?	Learn about different sources of water such as rivers, ponds, rain, and taps and understand why water should not be wasted.
6	Day and Night	Draw day and night	Drawing	What do you do at night ?	Draw day and night scenes and compare activities done during daytime and nighttime.
7	Weather Chart	Observe weather for 5 days	Weather table	Which weather do you like ?	Observe the weather daily and record whether the day is sunny, cloudy in a weather chart.
8	Floating	Put objects in water and observe	Observation table	Which object floated ?	Put different household objects into water and observe which objects float.
9	Parts of Plant	Draw and label a plant	Plant diagram	Which part gives flowers ?	Draw and label the parts of a plant such as roots, stem, leaves, flowers, and fruits.
10	Cleanliness Activity	Arrange your study table	Before-after drawing	Why should we keep things clean ?	Arrange your study table properly and understand why cleanliness and organization are important.

11	Living and Non-Living	Write names of living and non-living things	Two-column table	What makes living things special ?	Observe things around you and classify them into living and non-living categories correctly.
12	Birds Around Us	Observe birds nearby	Bird drawing	Which bird did you like ?	Watch birds around your home or school and notice their colours and movements carefully.
13	Save Earth Poster	Make poster on saving Earth	Poster	What message does it give ?	Create a colourful poster showing ways to save trees, water, and the Earth.
14	Air Around Us	Blow balloon and observe	Activity note	Why is air important ?	Blow a balloon and observe how air fills space inside it to understand the importance of air.
15	Science Fun Quiz	Write 5 science questions	Questions and answers	Which topic did you enjoy ?	Prepare simple science questions and answers from topics you have learned and discuss them with family members.

Subjective Holiday Homework:-

1. Ch. 4 Plants around us -Read & Understand, Find Difficult words & underlined them and write in their notebook with meaning.

2. Fill Book exercise & Learn them.

3. Create a mindmap of Ch 4 Plants around us.

4. Prepare Group Presentation

i. How can we care for nature?

ii. Different types of plants

iii. Herbs and Shrubs Group

iv. Science Exhibition task Group

3A Plants Around Us

3B Save Water, Save Life

3C Taking Charge of Waste

3A PIS Save Water, Save Life

3B PIS Taking Charge of Waste

3 C PIS Plants Around Us

v. Uses of Medicinal Plants Group

vi. Climbers and Creepers .

CLASS 3 – G K

Day	Task	Working	Evidence	Reflection	Process
1	My Home	Draw your home	Drawing with labels	Which room do you like most ?	Draw your home neatly and identify different rooms such as bedroom, kitchen, bathroom, and living room.
2	My Family	Paste or draw family members	Family chart	Who helps you most?	Draw or paste pictures of your family members and learn about their roles and responsibilities at home.
3	Places Around Me	Write names of nearby places	Place list	Which place do you visit often ?	Observe nearby places such as parks, schools, hospitals, temples, and markets and write their names.

4	National Flag	Draw and colour Indian flag	Flag drawing	Why do we respect the flag ?	Draw and colour the Indian National Flag carefully and learn why we respect our national symbols.
5	Community Helpers	Draw community helpers	Drawing chart	Which helper helps you most ?	Learn about community helpers such as doctors, teachers, police officers, and farmers and understand how they help society.
6	Traffic Signals	Draw traffic lights	Signal drawing	Why should we follow signals ?	Observe traffic signals carefully and learn the meaning of red, yellow, and green lights.

8	My School	Draw your school	School drawing	What do you enjoy in school ?	Draw your school building and identify important places such as the classroom, playground, library, and office.
9	Means of Transport	Draw transport types	Transport chart	Which transport do you use ?	Identify different means of transport used on land, water, and air and learn their uses.
10	Seasons	Draw summer, winter and rainy season	Season chart	Which season do you like ?	Draw pictures showing summer, winter, and rainy seasons and observe changes in weather and clothes.
11	Good Habits	Write 5 good habits	Habit list	Which habit is most important ?	Write good habits such as brushing teeth, helping others, speaking politely, and keeping surroundings clean.
12	Directions	Learn east, west, north and south	Direction chart	Why are directions useful ?	Learn the four main directions and understand how they help people find places.
13	Safety Rules	Write home safety rules	Safety list	Which rule is important ?	Learn simple home safety rules such as not touching electric switches with wet hands and not playing with fire.
14	Great Leader	Draw Mahatma Gandhi	Picture with 3 lines	What did you learn from him ?	Draw Mahatma Gandhi and learn simple facts about his life and contribution to India.
15	Clean Surroundings	Observe cleanliness around home	Observation notes	How can you help keep surroundings clean ?	Observe cleanliness around your home and think of ways to keep your surroundings neat and healthy.

CLASS 3 – COMPUTER

Day	Task	Working	Evidence	Reflection	Process
1	Parts of Computer	Draw monitor, keyboard and mouse	Labeled drawing	Which part do you use most ?	Observe the different parts of a computer such as monitor, keyboard, mouse, and CPU and learn their functions.
2	Uses of Computer	Write 5 uses of computer	Information list	Where do you use computers?	Identify places where computers are used such as schools, banks, hospitals, railway stations, and homes.
3	Computer Rules	Write rules for computer lab	Rule chart	Why should rules be followed?	Learn important computer lab rules such as sitting properly, handling devices carefully, and keeping the lab clean.
4	Keyboard Keys	Identify alphabet and number keys	Keyboard drawing	Which key do you use most?	Observe the keyboard carefully and identify alphabet keys, number keys, and special keys.
5	Input Devices	Draw mouse and keyboard	Device drawing	Which device helps you type?	Learn about input devices like keyboard and mouse and understand how they help us enter information into the computer.
6	Output Devices	Draw monitor and printer	Device drawing	Which output device do you see daily?	Learn about output devices such as monitors and printers and understand how computers show results to users.
7	Mouse Practice	Learn clicking and dragging	Activity notes	Which action was easy ?	Practice mouse actions like clicking, double-clicking, dragging, and scrolling while using a computer.
8	Paint Activity	Draw using Paint application	Drawing	What did you draw ?	Open the Paint application and create simple colourful drawings using different tools.
9	Computer Safety	Write computer safety rules	Safety chart	Why is safety important ?	Learn computer safety rules such as keeping hands clean and switching off the computer properly.
10	Storage Devices	Collect names of storage devices	Device list	Which device stores data ?	Identify different storage devices such as pen drive, hard disk, memory card, and CD.
11	Machines Around Us	Identify machines at home	Picture list	Which machine helps most ?	Observe different machines used at home and understand how technology makes work easier.
12	Educational Games	Write names of learning games	Game list	Which game do you enjoy ?	Explore educational games that help students learn alphabets, numbers, colours, and puzzles.
13	Computer lab rules	Follow Do's and avoid Don'ts	Poster	Why are computer lab rules important for safety and discipline?	Learn the do's and don'ts of computer lab behaviour and prepare a colourful safety poster.
14	Online Learning	Write 3 benefits of online learning	Short paragraph	What do you learn online ?	Understand how online learning helps students attend classes and learn from home using technology.

15	Future Computer	Draw your dream computer	Creative drawing	What special feature will it have ?	Imagine your dream computer and draw it creatively with special features that would make learning fun and easy.
----	-----------------	--------------------------	------------------	-------------------------------------	---

Day	Task	Working	Evidence	Reflection	Process
1	Thankful Family Tree	.Craft a tree and paste pictures of the family members to whom you are thankful. Write one-one reason why you like and respect them.	Family tree craft with pictures and reasons	Why should we be thankful to our family members?	Collect family photos, paste them neatly on the tree and write simple and honest reasons for each family member.
2	Analyse (Dinchariya Ke Niyam)	Fill your DKN on a daily basis with honesty and take the signature of your parents..	(Dinchariya Ke Niyam) log Notebook	I learned the importance of discipline and regular habits.	Fill your DKN on a daily basis with honesty and take the signature of your parents.
3	Learn 5 Sanskrit Shlokas with Meaning	Learned 5 Sanskrit shlokas from the shloka book and understood their meanings.	Recited the shlokas in front of parents/teachers.	I learned good values, respect, and positive thoughts from the shlokas.	Read the shlokas daily, practiced pronunciation, memorized them, and learned their meanings.

NOTE- ZERO GADGET TIME- There will be zero gadget time for all the family members from 8PM- 7AM and 12 PM- 2PM, you will motivate them for this and for you the special zero gadget time will be from 7AM- 11AM, 6PM- 7AM, you parents will write a note on weekly basis that you have followed this rule of zero gadget.

DKN(Dinchariya Ke Niyam):- Maintain DKN regularly with Honesty in your book and take parents signature.

THANK YOU!

Have a Wonderful Summer Vacation!

“
Summer Vacation
is the time to relax,
have fun,
learn new things,
and make
beautiful memories!”
