

PRAGYAN PUBLIC SCHOOL SUMMER VACATION HOMEWORK GUIDELINES

Session 2026-27

GENERAL INSTRUCTIONS FOR STUDENTS

- Complete all work neatly and sincerely.
- Write all subjects in 3 in 1 notebook.
- The notebook should be properly covered and labelled with:
 - Student's Name
 - Class & Section
 - Roll Number
 - Session
 - "SUMMER VACATION HOMEWORK" (on the front cover)

- Use separators or coloured pages for each subject.
- Index should be prepared at the beginning of the notebook.
- The date must be written for every activity.
- Handwriting should be neat and readable.
- Use only pencil for written work.
- Diagrams and drawings should be properly coloured and labelled.
- Avoid overwriting and untidy presentations.

HOMEWORK COMPLETION GUIDELINES

- Complete homework regularly instead of doing it at the last moment.
- Work independently.
- Seek parental guidance but do not complete the work on their behalf.
- Every task should reflect creativity, understanding, and effort.
- Read instructions carefully before starting the work.
- Complete all activities within the given timeline.

PRESENTATION GUIDELINES

- Use headings and subheadings properly.
- Maintain proper margins.
- Use coloured pencils for charts and creative work.
- Keep work clean and organized.
- Attach worksheets or printed material, if used.
- Avoid loose sheets unless instructed.

SUBJECT-WISE ARRANGEMENT IN NOTEBOOK

Arrange subjects in the following order:

1. English
2. Hindi
3. Mathematics
4. EVS
5. GK
6. Computer

EVIDENCE SUBMISSION GUIDELINES

Attach evidence of activities wherever applicable.

Examples of evidence may include:

- Drawings
- Photographs
- Observation tables
- Labels
- Charts
- Small reflections
- Parent signature for activity completion
- Leaf pasting
- Creative model photographs
- Survey records
- Nature observation notes

READING HABIT GUIDELINES

- Read for at least 20 minutes daily.
- You may read:
 - Story books
 - Newspapers
 - Magazines
 - Informational books
 - Poems

- Maintain a small reading log mentioning:
 - Book name
 - Date
 - New words learned

- Observe nature
- Learn new skills
- Practice art and craft
- Improve communication skills
- Participate in family discussions
- Develop problem-solving habits
- Practice kindness and responsibility

PARENTS' GUIDELINES

- Encourage children to work independently.
- Monitor regular completion of homework.
- Appreciate effort and creativity.
- Ensure a balanced routine of study, play, and rest.
- Support reading habits at home.
- Avoid excessive pressure on children.

SCREEN TIME GUIDELINES

- Limit mobile phone usage.
- Use digital devices only for educational purposes.
- Educational videos and learning apps may be used with parental guidance.
- Avoid excessive gaming and social media use.

SUBMISSION INSTRUCTIONS

- Submit the notebook on the first three working days after vacation.
- Incomplete homework may affect subject enrichment records.
- Revise and complete all work before school reopens.
- The notebook will be assessed on:
 - Neatness
 - Creativity
 - Completion
 - Presentation
 - Concept understanding
 - Originality of work

MAINTAIN A HEALTHY DAILY ROUTINE

- Sleep on time and wake up early.
- Eat healthy food and drink enough water.
- Practice cleanliness and hygiene.
- Help parents in small household activities.
- Spend time in outdoor games and physical activities.

- Participate in community or social activities.
- Draw, paint and craft.
- Learn a new skill, explore a hobby or skill.

- Explore and express your creativity.
- Learn a hobby or skill for personal growth.

IMPORTANT REMEMBER

*Use your time wisely,
learn joyfully,
and grow every day!*

CLASS 6 – ENGLISH

Day	Task	Working	Evidence	Reflection	Process
1	My Favourite Season	Describe your favourite season	80–100 word paragraph	Why do you like this season ?	Think about your favourite season and describe its weather, activities, and special features in simple sentences.
2	Picture Composition	Write a story from a picture	Picture with story	Which part was most creative ?	Observe a picture carefully and imagine a creative story based on the scene and characters shown.
3	My Best Friend	Describe your best friend	Short paragraph	Which quality do you admire most ?	Think about your best friend’s qualities, habits, and behaviour and describe them creatively.
4	Poster Making	Make poster on “Keep Your City Clean”	Poster with slogan	Why is cleanliness important ?	Understand the importance of cleanliness and create an awareness poster using slogans and drawings.
5	Diary Entry	Write about your daily routine	Diary format	Which activity do you enjoy most ?	Recall your daily routine and express your activities and feelings in diary writing format.
6	Story Writing	Write a story with moral value	Story and moral	What lesson does the story teach ?	Imagine an interesting story with a moral value and organize it with beginning, middle, and ending.
7	Conversation Writing	Write dialogue between two classmates	Dialogue writing	What did you learn from the conversation ?	Think about a conversation between two classmates on any common topic and write it in dialogue form.
8	My Pet or Favourite Animal	Describe an animal	Paragraph with drawing	Why do you like this animal ?	Observe or imagine your favourite animal and describe its appearance, habits, and importance.
9	Poem Writing	Write a short poem on flowers	4–6 lines	What inspired your poem ?	Observe flowers around you and express your thoughts creatively through a short poem.
10	Invitation Card	Design invitation for a family function	Invitation format	Why are invitations useful ?	Imagine organizing a family function and designing an invitation card with proper details and decoration.
11	Festival Description	Describe your favourite festival	Paragraph writing	What makes the festival special ?	Think about your favourite festival and describe its celebrations, traditions, and importance.

12	Advertisement Design	Create advertisement for a toy	Poster and slogan	How do advertisements attract people ?	Observe advertisements around you and design an attractive advertisement for a toy.
13	Speech Writing	Write speech on "Healthy Habits"	Speech format	Why are healthy habits important ?	Think about healthy habits and prepare a speech suitable for students and school assembly.
14	Book Review	Review your favourite story	Review notes	What did you learn from the story	Read your favourite story carefully and write its summary, characters, and moral lesson.
15	Comic Strip	Create comic on school life	Comic panels	Which part was funniest ?	Think about funny or interesting moments from school life and create a comic strip creatively.

CLASS 6 – HINDI

Day	Task	Working	Evidence	Reflection	Process
1	मेरा प्रिय भोजन	अपने प्रिय भोजन का वर्णन	50-60 शब्द	यह भोजन क्यों पसंद हैB ?	अपने प्रिय भोजन के स्वाद, विशेषताओं और पसंद के कारणों को सोचकर वर्णन लिखिए।
2	चित्र वर्णन	चित्र देखकर वर्णन लिखिए	चित्र एवं वर्णन	चित्र से क्या समझ आया ?	चित्र को ध्यानपूर्वक देखकर उसमें दिखाई देने वाले दृश्य और गतिविधियों का वर्णन कीजिए।
3	संवाद लेखन	भाई और बहन के बीच संवाद	6-8 पंक्तियाँ	संवाद का मुख्य उद्देश्य ?	भाई और बहन के बीच सामान्य बातचीत की कल्पना करके संवाद लिखिए।
4	नारा लेखन	स्वच्छता पर नारे लिखिए	5 नारे	स्वच्छता क्यों जरूरी है ?	स्वच्छता के महत्व को समझते हुए आकर्षक और प्रेरणादायक नारे लिखिए।
5	कहानी लेखन	"सच्चाई का महत्व" पर कहानी	कहानी एवं चित्र	कहानी से क्या शिक्षा मिली ?	"सच्चाई का महत्व" विषय पर नैतिक शिक्षा देने वाली कहानी की कल्पना कीजिए।
6	डायरी लेखन	अपने अवकाश दिवस का वर्णन	डायरी प्रारूप	दिन का सबसे अच्छा पल ?	अपने अवकाश दिवस की गतिविधियों और अनुभवों को डायरी शैली में लिखिए।
7	कविता लेखन	"तितली" पर कविता लिखिए	4-6 पंक्तियाँ	कविता की प्रेरणा ?	तितली के रंग, सुंदरता और गतिविधियों को देखकर कविता लिखिए।
8	अनुच्छेद लेखन	"मेरा विद्यालय" पर अनुच्छेद	अनुच्छेद	विद्यालय की विशेषता ?	अपने विद्यालय की विशेषताओं, वातावरण और गतिविधियों का वर्णन कीजिए।

9	पत्र लेखन	मित्र को शुभकामना पत्र लिखिए	पत्र प्रारूप	पत्र क्यों महत्वपूर्ण हैं ?	मित्र को शुभकामना देते हुए सही प्रारूप में पत्र लिखिए।
10	समाचार लेखन	खेल प्रतियोगिता पर समाचार	समाचार प्रारूप	समाचार का महत्व ?	खेल प्रतियोगिता की घटना को समाचार शैली में शीर्षक सहित लिखिए।
11	मुहावरे	5 मुहावरों के अर्थ लिखिए	सूची	कौन-सा मुहावरा अच्छा लगा ?	विभिन्न मुहावरों को खोजकर उनके अर्थ और प्रयोग समझिए।
12	पुस्तक समीक्षा	पसंदीदा पुस्तक का विश्लेषण	विश्लेषण	कहानी से क्या सीखा ?	अपनी पसंदीदा पुस्तक पढ़कर उसके पात्रों और शिक्षा का विश्लेषण कीजिए।
13	विज्ञापन निर्माण	किसी फल का विज्ञापन	पोस्टर एवं नारा	विज्ञापन का प्रभाव ?	किसी फल के लिए आकर्षक विज्ञापन तैयार कीजिए जिसमें नारा और चित्र हों।
14	यात्रा वर्णन	चिड़ियाघर की यात्रा का वर्णन	50 शब्द	सबसे रोचक क्या लगा ?	चिड़ियाघर की यात्रा की कल्पना करके वहाँ के अनुभव और दृश्य लिखिए।
15	आत्मकथा	“यदि मैं नदी होता”	रचनात्मक लेखन	नदी का महत्व ?	कल्पना कीजिए कि आप एक नदी हैं और अपने महत्व को आत्मकथा के रूप में लिखिए।

CLASS 6 – MATHEMATICS

Day	Task	Working	Evidence	Reflection	Process
1	Daily Expenses	Record one day spending	Expense table	Why should money be saved?	Observe one day's spending at home and organize the expenses properly in a table.
2	Shape Collection	Find shapes around home	Shape drawings	Which shape is most common ?	Identify different shapes around your home and draw them carefully.
3	Fraction Hunt	Identify fractions in kitchen	Example list	Why are fractions useful ?	Find examples of fractions used in the kitchen and understand their practical use.
4	Time Activity	Prepare your daily timetable	Timetable chart	How can time be managed ?	Prepare your daily timetable and understand the importance of time management.
5	Shopping Bill	Create a simple grocery bill	Bill calculations	Why is calculation important ?	Create a grocery bill by listing items and calculating the total amount.

6	Symmetry Activity	Draw symmetrical objects	Drawings	Which design looked beautiful ?	Observe symmetrical objects around you and create symmetrical drawings.
7	Favourite Fruit Survey	Survey favourite fruits	Bar graph	Which fruit was most liked ?	Conduct a small survey about favourite fruits and represent the data using a graph.
8	Number Patterns	Create number patterns	Pattern worksheet	Which pattern was difficult ?	Create interesting number patterns using mathematical rules.
9	Measurement Activity	Measure household objects	Measurement table	Why is measurement important ?	Measure household objects carefully and record their dimensions.
10	Angle Search	Find angles around you	Drawings with labels	Which angle is common ?	Observe different angles around you and identify their types.
11	Puzzle Making	Create simple math puzzles	Questions and answers	Which puzzle was interesting ?	Create simple mathematical puzzles and solve them logically.
12	Area Activity	Find area of a notebook	Calculations	Where is the area useful ?	Calculate the area of a notebook or any rectangular object and understand its use.
13	Percentage Activity	Find discounts in shops	Discount table	Why do shops give discounts ?	Observe discount offers in shops and understand how percentages are used in daily life.
14	Calendar Activity	Count holidays and weekends	Calendar worksheet	How does the calendar help us ?	Use a calendar to count holidays, weekends, and important dates systematically.
15	Profit and Loss	Calculate simple profit or loss	Calculations	Why should shopkeepers calculate profit ?	Imagine a small shop and calculate simple profit or loss through basic calculations.

CLASS 6 – SCIENCE

Day	Task	Working	Evidence	Reflection	Process
1	Leaf Collection	Collect and paste different leaves	Leaf chart	Which leaf shape was unique ?	Collect different leaves and observe their shapes, sizes, and textures carefully.
2	Floating and Sinking	Test objects in water	Observation table	Why do some objects float ?	Test household objects in water and observe which objects float and which sink.

3	Healthy Habits Chart	Prepare healthy habits chart	Habit chart	Which habit is most important ?	Identify healthy habits needed for good health and prepare a chart creatively.
4	Bird Watching	Observe birds near your home	Observation notes	Which bird did you like ?	Observe birds near your home and record their colour, movement, and behaviour.
5	Water Cycle	Draw the labelled diagram of water cycle	Diagram	Why is water important ?	Study the water cycle carefully and represent it using a labelled diagram.
6	Balanced Diet	Draw healthy food plate	Food diagram	Why should junk food be avoided ?	Identify healthy food items and prepare a balanced diet plate for good nutrition.
7	Sources of Light	List natural and artificial sources	Two-column table	Which source is most useful ?	Observe natural and artificial sources of light around you and classify them properly.
8	Kitchen Changes	Observe changes while cooking	Observation notes	Which change was interesting ?	Observe the changes that occur while cooking food and identify different types of changes.
9	Air Around Us	Activities showing air occupies space	Activity notes	Why is air necessary ?	Perform simple activities that show air occupies space and understand its importance.
10	Plant Care	Water a plant for 5 days	Observation table	What changes did you observe ?	Water a plant regularly for several days and observe changes in its growth.
11	Simple Machines	Find examples at home	List with drawings	Which machine helps most ?	Identify simple machines used at home and understand how they make work easier.
12	Day and Night	Observe sunrise and sunset	Timing chart	Why do day and night occur ?	Observe sunrise and sunset timings to understand the concept of day and night.
13	Cleanliness Activity	Organize study table	Before and after drawing	Why is cleanliness important ?	Organize your study table neatly and understand the importance of cleanliness.
14	Science Poster	Poster on "Save Water"	Poster	What message does it give ?	Create an awareness poster showing ways to save water and protect resources.
15	Quiz Making	Create 10 science questions	Questions and answers	Which topic do you enjoy ?	Prepare an interesting science quiz using topics learned during the session.

CLASS 6 – SOCIAL SCIENCE

Day	Task	Working	Evidence	Reflection	Process
1	My Neighbourhood	Describe your neighbourhood	Paragraph with drawing	What do you like most ?	Observe your neighbourhood carefully and describe important places and surroundings creatively.
2	Family Occupation Survey	Ask family members about work	Survey table	Which work interests you ?	Ask family members about their occupations and organize the information in a survey table.
3	Map Activity	Draw map of your classroom	Labeled map	Why are maps useful ?	Draw a simple map of your classroom and label important objects and places correctly.
4	Festival Study	Describe a local festival	Festival notes	What values does it teach ?	Learn about a local festival and understand its traditions, celebrations, and values.
5	Traffic Rules	Make traffic awareness poster	Poster	Why should rules be followed ?	Understand traffic rules and prepare an awareness poster for road safety.
6	Monument Study	Collect facts about Taj Mahal	Picture with facts	Why should monuments be protected ?	Research the Taj Mahal and collect facts about its history and importance.
7	Weather Observation	Observe weather for one week	Weather chart	What changes did you notice ?	Observe weather conditions for a week and record the changes you notice daily.
8	Community Helpers	Write about helpers around you	Information chart	Which helper is important ?	Learn about community helpers and understand how they help society.
9	National Symbols	Draw and explain symbols	Symbol chart	Why should symbols be respected ?	Draw national symbols and learn about their importance and meaning.
10	Natural Resources	List resources used daily	Resource list	Why should resources be saved ?	Identify natural resources used in daily life and understand why they should be conserved.

11	Disaster Awareness	Write earthquake safety tips	Safety chart	Why is awareness important ?	Collect information about earthquake safety measures and disaster awareness.
12	Timeline Activity	Create timeline of your school life	Timeline	Which event was memorable ?	Create a timeline showing important events from your school life.
13	Village and City	Compare village and city life	Comparison table	Which life do you prefer ?	Compare village life and city life by identifying their advantages and disadvantages.
14	Population Awareness	Observe crowded places(Fair,market)	Observation notes	What problems occur there ?	Observe crowded places such as markets or fairs and identify problems caused by overpopulation.
15	Great Leader Study	Write about Mahatma Gandhi	Biography notes	What inspired you most ?	Study the life and contribution of Mahatma Gandhi and understand his role in India's freedom struggle.

1)Draw the mind map of the chapters:

Ch:Timeline and Reconstructing the past (a),

Ch:From Hunting-gathering to settled life (b)

2)Read the chapter Exploring our culture and underline the hard wards

3)Learn the PT2 syllabus

CLASS 6 – COMPUTER

Day	Task	Working	Evidence	Reflection	Process
1	Parts of Computer	Draw and label parts	Diagram	Which part is most useful ?	Observe the different parts of a computer system and understand their functions.
2	Uses of Computer	List uses in daily life	Information chart	How do computers help us ?	Identify various uses of computers in education, communication, entertainment, and daily life.
3	Cyber Safety Rules	Write internet safety rules	Rule chart	Why is cyber safety important ?	Learn important internet safety rules and understand safe online behaviour.
4	Keyboard Practice	Learn shortcut keys	Shortcut list	Which shortcut is useful ?	Practice useful keyboard shortcut keys and understand how they save time.

5	Input and Output Devices	Identify devices around you	Two-column table	Which device do you use most ?	Identify input and output devices used with computers and classify them properly.
6	Email Drafting	Draft simple email	Email format	Why are emails useful ?	Learn the correct format of an email and draft a simple formal email.
7	Digital Poster	Create poster on safe internet	Poster	What message does it give ?	Create a poster showing safe and responsible internet usage practices.
8	AI Around Us	Identify AI tools nearby	List with explanation	Which AI tool is interesting ?	Observe how Artificial Intelligence is used in apps, devices, and daily activities.
9	File Organization	Arrange files in folders	Folder drawing	Why should files be organized ?	Understand how files and folders are organized in a computer system.
10	Educational Websites	Review one learning website	Review notes	Which feature helped most ?	Explore an educational website and study its useful learning features.
11	Digital Etiquette	Write good manners while using technology	Poster	Why should we behave responsibly online ?	Learn respectful online communication
12	Computer Generations	Collect information on generations	Timeline chart	Which generation is advanced ?	Research different generations of computers and understand technological developments.
13	Online Etiquette	Write rules for online classes	Rule list	Why is discipline important ?	Prepare rules that should be followed during online classes and digital communication.
14	Future Technology	Describe future inventions	Creative paragraph	Which invention excites you ?	Imagine future technologies and describe how they may change human life.
15	Presentation Planning	Plan slides on favourite topic	Slide outline	Which topic did you choose ?	Plan a presentation on your favourite topic by organizing ideas slide by slide.

CLASS 6 – SANSKRIT

Day	Task	Working	Evidence	Reflection	Process
-----	------	---------	----------	------------	---------

1	वर्णमालालेखनम्	संस्कृत वर्णमाला लिखिए एवं उच्चारण का अभ्यास कीजिए	स्वर एवं व्यंजन सूची	कौन-सा वर्ण कठिन लगा ?	संस्कृत वर्णमाला के स्वर और व्यंजनों को लिखकर उनके उच्चारण का अभ्यास कीजिए।
2	शरीरस्य अवयवाः	शरीर के 10 अंगों के नाम संस्कृत में लिखिए	सूची एवं चित्र	कौन-सा शब्द नया लगा ?	शरीर के विभिन्न अंगों के नाम संस्कृत में सीखकर उन्हें चित्र सहित लिखिए।
3	पुष्पाणां नामानि	10 फूलों के नाम संस्कृत में लिखिए	सूची एवं चित्र	कौन-सा पुष्प प्रिय है ?	विभिन्न फूलों के नाम संस्कृत में लिखिए तथा उनके चित्र बनाइए।
4	रंगानां नामानि	10 रंगों के नाम संस्कृत में लिखिए	रंग सूची	कौन-सा रंग अच्छा लगा ?	विभिन्न रंगों के नाम संस्कृत में लिखकर उनका अभ्यास कीजिए।
5	मम मित्रम्	अपने मित्र का वर्णन संस्कृत में लिखिए	5 वाक्यानि	मित्र क्यों महत्वपूर्ण है ?	अपने मित्र के गुणों और विशेषताओं का संस्कृत में वर्णन कीजिए।
6	गृहवर्णनम्	अपने घर का वर्णन संस्कृत में लिखिए	5 वाक्यानि	घर की कौन-सी बात अच्छी लगती है ?	अपने घर के विभिन्न भागों का संस्कृत में सरल वर्णन लिखिए।
7	सप्ताहस्य दिवसाः	सप्ताह के दिनों के नाम लिखिए एवं याद कीजिए	दिवस सूची	कौन-सा दिवस प्रिय है ?	सप्ताह के दिनों के नाम संस्कृत में लिखकर उन्हें याद कीजिए।
8	संख्यालेखनम्	1 से 30 तक संस्कृत में संख्या लिखिए	संख्या सूची	संख्या लिखना कैसा लगा ?	1 से 30 तक की संख्याओं को संस्कृत में लिखने का अभ्यास कीजिए।
9	वृक्षाणां नामानि	10 वृक्षों के नाम संस्कृत में लिखिए	सूची एवं चित्र	वृक्ष क्यों आवश्यक हैं ?	विभिन्न वृक्षों के नाम संस्कृत में लिखिए एवं उनके महत्व को समझिए।
10	मम प्रियः शिक्षकः	अपने प्रिय शिक्षक के बारे में संस्कृत में लिखिए	5 वाक्यानि	शिक्षक से क्या सीखते हैं ?	अपने प्रिय शिक्षक के बारे में संस्कृत में वाक्य लिखिए।
11	पक्षिणां नामानि	10 पक्षियों के नाम संस्कृत में लिखिए	सूची एवं चित्र	कौन-सा पक्षी अच्छा लगता है ?	विभिन्न पक्षियों के नाम संस्कृत में लिखकर उनके चित्र बनाइए।
12	जलसंरक्षणम्	जल संरक्षण पर संस्कृत में 5 वाक्य लिखिए	वाक्य लेखनम्	जल बचाना क्यों आवश्यक है ?	जल संरक्षण के महत्व को समझते हुए संस्कृत में छोटे-छोटे वाक्य लिखिए।

13	प्रार्थना लेखनम्	कोई संस्कृत प्रार्थना लिखिए एवं याद कीजिए	प्रार्थना लेखनम्	प्रार्थना से क्या प्रेरणा मिली ?	कोई सरल संस्कृत प्रार्थना लिखकर उसका अभ्यास कीजिए।
14	मम दिनचर्या	अपनी दिनचर्या संस्कृत में लिखिए	5-7 वाक्यानि	समय पालन क्यों आवश्यक है ?	अपनी दिनचर्या के कार्यों को संस्कृत में क्रमबद्ध लिखिए।
15	पुनरावृत्ति:	सीखे गए सभी कार्यों का अभ्यास कीजिए	अभ्यास कार्य	कौन-सा कार्य सबसे रोचक लगा ?	पूरे अवकाश में सीखे गए कार्यों का पुनः अभ्यास और पुनरावृत्ति कीजिए।

CLASS 6 –Skill (15 DAYS PROJECT) Topic: Kitchen Garden - Lemon

Day	Task	Working / Activity	Evidence	Skill (Kaushal)	Bodh (Understanding)	Reflection
1	Lemon Seed Collection	Collect 8-10 healthy seeds from ripe lemon	Seed Chart	Observation & Classification	Seeds have different sizes, shapes and quality	Which seeds are best for planting?
2	Soaking & Germination Test	Soak seeds in water overnight	Observation Table	Experimentation & Recording	Seeds absorb water and swell before sprouting	Why do some seeds germinate faster?

3	Soil Preparation	Prepare potting mix (soil + compost + sand)	Soil Sample & Notes	Mixing & Texture Testing	Soil should be loose and well-drained	Which soil is best for lemon plant?
4	Planting Lemon Seeds	Sow seeds in pots/cups	Photo of planted seeds	Sowing Technique	Seeds need proper depth and spacing	What care does a seed need to grow?
5	Watering Schedule	Daily watering and moisture check	Watering Log Table	Regular Care & Responsibility	Plants need right amount of water	How much water is enough?
6	Sunlight & Placement	Place pots in different light conditions	Light Position Diagram	Comparison & Analysis	Sunlight is essential for photosynthesis	Why is sunlight important for lemon?
7	Growth Observation - Week 1	Measure height and note changes	Growth Chart + Photos	Measurement & Observation	Seedling develops stem and leaves	What changes appeared in first week?
8	Kitchen Waste Fertilizer	Prepare organic manure from kitchen waste	Before-After Photos	Recycling & Composting	Organic waste provides nutrients	How does natural fertilizer help?
9	Air & Ventilation	Study effect of fresh air on plants	Activity Notes	Experiment & Inference	Plants need air for respiration	Why is fresh air necessary?

10	Plant Care Routine	Regular watering, weeding, loosening soil	Daily Observation Table	Nurturing & Patience	Consistent care leads to healthy growth	What improvements did you see?
11	Pest Observation & Protection	Check for pests and make neem spray	Drawings + Notes	Problem Solving	Pests can damage plants; natural protection is better	How can we protect plants naturally?
12	Day & Night Effect	Observe plants during day and night	Timing Chart	Systematic Observation	Plants show different behaviour in day & night	Does light affect plant movement?
13	Lemon Uses & Nutrition	Study benefits and kitchen uses of lemon	Information Chart	Research & Creativity	Lemon is rich in Vitamin C	Why is lemon important for our health?
14	Project Poster Making	Make "My Lemon Garden" poster	Completed Poster	Creativity & Presentation	Summarising the whole process	What is the main message of your poster?
15	Quiz Making & Summary	Prepare 10 questions + write summary	Questions & Report	Self Assessment & Communication	Overall learning from the project	Which part did you enjoy the most?

Project Guidelines:

- Use a scrapbook or project file.
- Paste photos, drawings, and charts as evidence.
- Write in your own words as much as possible.
- Take photos on Day 1, Day 7 and Day 15 (very important)

CLASS 6 – JIVA

Day	Task	Working	Evidence	Reflection	Process
1-7	Healthy and unhealthy food segregation	Segregate the foods eaten during summer break into healthy and unhealthy categories	Food chart/list	Why is healthy food important for our body?	Observe the food items you eat during break time and classify them into healthy and unhealthy food in a table.
8-15	Good language record	Make a record of use of good language (thank you/ sorry etc) along with incidents in the form of a story.	Incidents record	How does good language improve relations?	Observe and note down situations where polite and respectful language is used in daily life.
16-21	Find out parents' expectations	Mention the date and sit with your parents to discuss their expectations and parameters for you.	Discussion notes	Why is it important to understand parents' expectations?	Write the date, discuss with your parents about their expectations from you, and note the points carefully. Take the sign of your parents too.

NOTE- ZERO GADGET TIME- There will be zero gadget time for all the family members from 8PM- 7AM and 12 PM- 2PM, you will motivate them for this and for you the special zero gadget ti

me will be from 7AM- 11AM, 6PM- 7AM, you parents will write a note on weekly basis that you have followed this rule of zero gadget.
